

EDUCATION FOR THOSE WHO TOW

**NATIONALLY ACCREDITED
TOWING TRAINING**

Member of the Caravan & Camping
Industry Association of NSW

Towing can be terrific fun, taking the boat to a new fishing spot, getting your horse to a competition or caravanning to new places. But to tow safely and with confidence a few basic skills need to be learned.

By attending a towing course at Tow-Ed you will enjoy the benefits of having skilled instructors teach you in a friendly supportive

environment. This course is designed to build your confidence and skills with lots of practice.

Towing involves several key competencies and here at Tow-Ed we have identified the following subjects to be main focus of the training:

- safety & maintenance checks
- legal aspects of towing
- trailer dimensions
- loads and loading
- types of hitches
- driving and manoeuvring techniques
- braking techniques
- reversing
- launching and recovery of boats (if applicable)

We conduct our courses at a variety of venues, so when you apply for training, we can advise you of your nearest training venue.

In addition Tow-Ed conducts Off Road Towing courses for the owners of Camper Trailers who want to venture off the beaten track to enjoy their asset.

Tow-Ed is a flexible training provider and is able to conduct towing courses for individuals or Groups.

Private courses for individuals can be conducted on any day and run for 4 hours.

Scheduled courses are conducted throughout the year and run from 9:00am - 4:00pm.

Corporate courses can be conducted on any day to suit your organisation.

Courses are available at a number of venues, contact Tow-Ed to discuss your requirements.

TOW-ED PROVIDES COURSES IN THE FOLLOWING FORMATS:
